

2008 Japan Die Casting Congress & Exposition

INFORMATION

Dear Sir / Madam :

We, Japan Die Casting Association is its annual Japan Die Casting Congress & Exposition with the aim of promoting the healthy growth of the diecasting industry of this country and contributing to the activities of each manufacturer within the industry. The 14th Congress and Exposition will be held as follows.

At the Japan Die Casting Congress(admission charged), 38 advanced technical papers on diecasting will be presented. The Japan Die Casting Exposition (exhibition charged, admission free)will feature about 100 manufactures exhibiting their latest equipment and products. Demonstrations will also be shown to visitors.

This is the only and the largest event on diecasting in Japan. We are sure that it will be prove to be an extremely interesting and rewarding experience for every single visitor. Your presence at these events will be greatly appreciated.

we look forward to your visit.
